

Turn Up The Volume

With Family. Laughter. Enjoy.

Timber character log accent framing maintains the natural, streamlined style of the house. Almost new with plenty of space (4,800+) including basement to finish as you wish (total 7,746 sq. ft.). About 10 wooded acres with mountain views and adjacent to national forest. 4BR/2.5BA. Hardwood, carpet, and tile floors. The careful balance of formal and casual outdoors continues on the house's large wood deck which wraps to the master bedroom. Open master suite with see-thru gas fireplace in master bath and custom tiled walk-in shower and jetted tub. Furniture is negotiable. Living room features great mountain views and gas fireplace.
